

**Amendments to the Specification:**

After the title but before the first paragraph, please insert the following new paragraph:

**CROSS REFERENCE TO RELATED APPLICATIONS**

This application is a 371 filing of PCT International application no. PCT/GB2004/000628 filed February 17, 2004, published in English as WO 2004/101464 on November 25, 2004, and claims the priority of GB Application No. 0311071.5 filed May 14, 2003, the disclosures of which are hereby incorporated by reference in their entirety.

On a separate page, page 15, please insert the following abstract:

**ABSTRACT OF THE INVENTION**

A screed containing recycled glass waste and residue is disclosed. The screed is applied to e.g. a concrete slab, etc. to give a smooth surface finish. In one embodiment, the screed includes (i) recycled glass waste or a recycled glass waste and residue in the form of an aggregate or powder; and (ii) a calcium sulfate powder binder. A method for production of a screed is also described, as well as a method of remediation of recycled glass waste.
